

## **Aquafrisch** moves its Headquarters

Aquafrisch's new facilities are located at Margarita Salas 7 in Rivas-Vaciamadrid. With a modern and sustainable design, the building has insulated walls and roofs, a translucent ceiling for lighting, solar cells for the production of electrical energy and plugs for charging electric vehicles for both workers and visitors. Located near the Metro and the A3 highway, we contribute to the reduction of the carbon footprint as part of our strategic sustainability plan.

**Despite the difficulties being generated by the Covid 19 scenario, Aquafrisch successfully finalizes the following installations:**

Train Wash Plant at Versailles (France)

Train Wash Plant at Lima (Peru)

**Aquafrisch, s.l.®**

C/ Margarita Salas, nº. 7

28521 RIVAS VACIAMADRID (Madrid) SPAIN

Tfno. 91 380 03 33 Fax 91 778 60 02
